

Covid-19 notes

Visiting the GroundsCare/County Hire Shop Wearing a face mask is now optional, as is the 2m distancing requirement. However, in the interest of public health, and in acknowledgement of the fact that the infection rate is still quite high, we should appreciate it if you would continue observing these rules for a while longer. Sanitizing fluid is available just inside the shop entrance door.

Please do not visit the shop if you suspect you may have Covid-19.

Health & safety. Our Hiredesk Staff and Delivery Personnel are aware of the benefits of social distancing, anti-bacterial procedures and hygiene requirements. We are still pressure-washing all mechanical equipment at 90°C; ZipLevel products are wiped down with disinfectant.

Weekend rentals can be ***collected*** from our shop any time from 2pm Friday and still qualify for the weekend rate. If we are ***delivering*** to you it will probably be in the afternoon but, dependent on location and work load, may be during the morning.

Payment Card payment preferably please, to minimise any risk of contamination. Full card details will be needed at time of booking.

We hope you, your family and colleagues have managed to avoid the Covid-19 virus so far, and continue to do so.

Thank you for your continuing support of GroundsCare Products and [County Hire](#).
