<b>TRACTOR</b>				
<b>BROOM</b>				
<b>MOWER DECK</b>				
<b>POWER RAKE</b>				
<b>POWER EDGER</b>				
<b>ROTOWASH</b>				
<b>ZIPLEVEL</b>				

Prices subject to VAT at Standard Rate.

From time to time we are able to offer used machines, typically ex-demo or ex-hire. The indication of condition is as follows:

**Ex-demo** - will have done a number of short demonstrations; it might also have done one or two short hires. Prices vary slightly dependent on the amount of work done, but the number of hours is quite low in each case. There will probably be some paint blemishes, but the mechanical condition will be almost as new. The machine will carry at least a 9 month warranty, maybe more.

**Ex-hire** – will have done several hires, mainly of short duration, but the overall number of hours worked will be significantly higher than the demo machines. There will almost certainly be paint blemishes, and the mechanical parts will have been subjected to normal wear and tear. The machine will usually carry a 6 month warranty.

**Both categories** – will have been subjected to a full inspection & test, and parts replaced with Turf Teq approved spares, if necessary.
